

Here is an easier way to subscribe to the Google calendar for the DDN Sessions. This way you don't have to subscribe to Google Calendars!

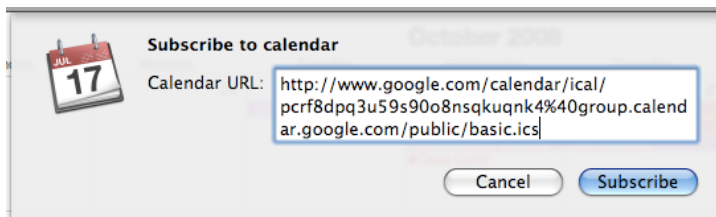

Open iCal on your computer

Go to Calendar and Down to Subscribe

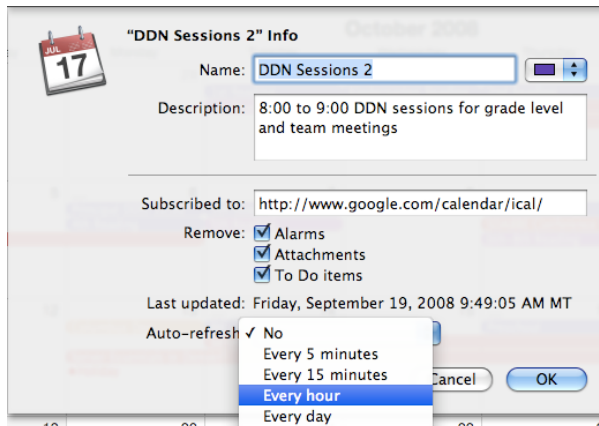

Copy and Paste this link into the subscribe area and Click Subscribe

<http://www.google.com/calendar/ical/pcrf8dpq3u59s90o8nsqkuqnk4%40group.calendar.google.com/public/basic.ics>

Make sure you change the auto-refresh to Hourly or Daily and Click OK

Your done, now the calendar will show up in your iCal and it will update when there are changes!
